

BIZZY BEE TUTORING

**Tutoring/Academic Assistance is available
for grades Kindergarten to 8th grade.**

Each tutor at Bizzy Bee is a licensed educator who has a wealth of knowledge and experience in the educational system that will allow them to best assist your students.

TUTORING OPTIONS:

Group Tutoring \$20 per session (up to 4 in a group)

Individual Tutoring \$29 per session

Tutoring days/times are scheduled per request and availability. In order to best suit the needs of your student a questionnaire about their academic background will be the first step. From there a plan is devised to best suit your learner and their needs.

TUTORING SET UP & PROCEDURES

- Sessions will be paid for on a biweekly OR monthly basis (Fee should be paid prior to the first session of the timespan you pay- unless otherwise approved by Bizzy Bee)

1. Your student has the option of ONCE or TWICE a week.

- Cost for individual sessions is \$29. Cost for group tutoring (up to 4 students) is \$20.
(Ex. 4 week month, individual tutoring sessions $4 \times \$29 = \116)
(Ex. 4 wk month, ind. Tut 2x per week $8 \times \$29 = \232)

Biweekly rates would be half of the above option. Once a week = \$58, twice a week = \$116

- 1. Your student will come at their same scheduled time each week, unless otherwise approved by Bizzy Bee.**
- 2. If you need to cancel and/or change time you must contact Bizzy Bee 48 hours prior to tutoring session.**
- 3. If you do not give 48 hour notice, then your session will still be charged as normal (no credit)**

Due to the high demand for tutoring spots we need to give others the opportunity to take a spot if it should become available due to a cancellation.
